

# Future Studies

---

- Seedling transplant experiments
  - Mortality
  - Correlation  $\neq$  Causation
- Adult trees
  - Adult trees react differently  
(Larcher 2003)
- Rare species
  - Rare species react differently  
(Lyons et al. 2005, Mouillot et al. 2013)
- Collect forest structure data!
  - Remote sensing
  - Drones
